164%

Notes

- (a) Data are calculated by grouping the census blocks by Archdiocesan parish boundaries and aggregating all associated data for each parish boundary.
- (b) Under 18 population statistics are calculated by subtracting 18+ from total population.

136

(c) Due to rounding, some numbers may not add up to 100%; a 0% change may not represent no change, but a negligible change.

Population of Two Or More Races
