A Holy Door is a symbol of oneness with the Universal Church. The Holy Door is closely linked to a pilgrimage experience. It’s a symbol of human life, of our terrestrial journey towards eternity during which we encounter God in every step of the way. Passing through the Holy Door during the Jubilee of Mercy means we are learning to face our personal problems as well as the world’s problems and go through them while hearing the call of God.

The practice of pilgrimage has a special place in the Holy Year, because it represents the journey each of us makes in this life. Life itself is a pilgrimage, and the human being is a viator, a pilgrim travelling along the road, making his way to the desired destination. Similarly, to reach the Holy Door in Rome or in any other place in the world, everyone, each according to his or her ability, will have to make a pilgrimage. This will be a sign that mercy is also a goal to reach and requires dedication and sacrifice. May pilgrimage be an impetus to conversion: by crossing the threshold of the Holy Door, we will find the strength to embrace God’s mercy and dedicate ourselves to being merciful with others as the Father has been with us.

Itinerary

The National Shrine of the Divine Mercy is a ministry of the Marian Fathers of the Immaculate Conception of the Blessed Virgin Mary, the authentic promoters of the message of The Divine Mercy.

**Monday, August 22, 2016** - Breakfast at hotel. Depart Lenox with a stop at the Shrine of the North American Martyrs, Auriesville, NY. Celebrate Mass at the shrine. Cross border into Canada. Lunch on your own. Late afternoon arrival at St. Anne de Beaupré Shrine. Group dinner and overnight at the Basilica Inn, St. Anne De Beaupré, Quebec.

The Shrine of the North American Martyrs is located in Auriesville, formerly known as the Mohawk village of Ossernenon. During the 1640's three French Jesuit missionaries – Father Isaac Jogues and his two lay companions, René Goupil and John Lalande – were killed by the Mohawks while bringing Christianity to the New World.

The Basilica is a Sanctuary dedicated to Saint Anne, mother of Mary and grandmother of Jesus. The entire ceiling mosaic of the Basilica describes the life of Saint Anne. It tells the story of her life, the life of a Jewish woman in that era. It speaks of her virtues and also illustrates to us her glorification.

The Shrine of Our Lady of the Cape, built during the early 18th century, is a national pilgrimage site. This cape is also one of Canada’s most beautiful treasures, with scenic waterways, beaches, & waterfalls.

**Thursday, August 25, 2016** – Breakfast at Madonna Inn. Depart for Old Quebec City. Celebrate Mass. Visit Notre-Dame de Quebec, the mother parish of all Catholic parishes in Canada & the USA. We will walk through the only permanent Holy Door in North America. Guided walking tour of old Quebec City. Time for shopping & lunch on your own. Group dinner & overnight at Madonna Inn.

With its cobblestone streets & untouched Old Town, dating to the 16th century, Quebec City is perched above the scenic St. Lawrence River. Known for its old-world charm, Quebec City is not only the sole fortified (walled) city in North America, but also home to the oldest Catholic parish on the Continent – Basilique Notre-Dame-de-Québec – dating back to 1647. We’ll also take in the historic sites of Vieux-Québec, walking along ancient streets & the boardwalk by the river before dining at some of the city’s finest restaurants.

Montreal is considered one of the most cosmopolitan cities in North America. From renowned museums to world-class shopping, Montreal – a blend of contemporary & traditional – has something for everyone! Canada’s largest French-speaking city is known for its surprising architecture – centuries-old buildings nestled among skyscrapers that are designed with a sense of whimsy.
