To the best of my knowledge, the above information is true and complete. I request the coverage elected above and direct the Archdiocese to deduct any required contributions from my regular pay. If required contributions are made on a before-tax basis, I understand that my election may be changed during the year only if I experience a change in family status as defined by the Archdiocese of Philadelphia Premium Conversion Plan. Further, I understand that this election will remain in effect until July 1 and thereafter, unless changed by me.
