*Unless otherwise noted, discounts apply to plan monthly access fees of \$34.99+ and data features of \$24.99+ when added to a plan of \$34.99+. On Share Everything and MORE Everything plans, discounts apply only to the Account Access fees. Prepaid, already discounted and promotional plans are not eligible for discounts through this program.

Only one validation submission per account is required and applies to all lines on the account. Validation will not extend your wireless service contract. After we have processed your request, you will receive the discount currently available under your organization's agreement with Verizon. Please allow 1 to 2 billing cycles for any discount updates to appear on your monthly bill. If you're no longer eligible, your discount will be automatically removed from your account.
