

Parish Social Ministries Summary, as of December 31, 2017

Annual Pastoral Survey Items 112: 1-46

A basic expectation is that parishes provide the service of charity to others. (ref. Characteristics Found in Vital Parishes, 32.) Items 112-1 to 112-46 request the number of people in the parish who are involved in providing the service and the number who are served. If the parish does not offer the item, is it blank.
