

Parish Communications Consultants

The volunteers listed below have expertise in electronic parish communication on various applications and social media platforms. They are generously making themselves available to assist your parish in launching electronic communications. Please read over their areas of experience below and feel free to contact one of them to ask for their assistance as your parish launches e-communications.

Thank you to all those who are helping to strengthen our outreach during this crisis!

Gemma Baldon
St. William, Philadelphia

Gemma Baldon is a member of St. William’s Church in Philadelphia. She can assist in building accessible parish websites and in managing church communications using online tools that include Wordpress, eCatholic, Facebook, Twitter, Flocknote, Mailchimp, and Zoom.

Email Gemma at: mrs.katekista@gmail.com

Nicole Bazis
St. Margaret, Narberth

My name is Nicole Bazis and I am the Coordinator of Parish Services for St. Margaret's Parish in Narberth. I am able to help with user-friendly website construction, mass email communication using Mailchimp, Facebook, Instagram, Twitter, social media live streaming, text-to-join, and basic graphic design. For ideas about what I can help create for you, please visit our parish website and social media pages.

I can be contacted at faith@saintmarg.org.

Bryan Charnock
Corpus Christi Lansdale

- Can assist with: Flocknote (converting existing database like PDS to Flocknote, organizing groups, composing emails, text-to-join)

Email works best: bryan_chnock@msn.com

~~~~~
